Judy – could you please put together a ww summary for this property? Please be sure to include if the property in question has, based on tax records and other public information available, two structures and any other info you can find about its use/permits/etc. Thanks. Kate

Hi Mark –

Happy New Year!

EPA received an inquiry from Mr. **Ex. 6 Personal Privacy (PP)** who stated that his neighbor's cesspool (TMK: 1-4-6-001-022) was spilling onto his property. It appears a DOH ww inspector went to the site and conducted an inspection. Could you please send me the report? Not sure which TMK would be listed on the report.

Many thanks.

Kate
